

WAR
FOR
PEACE
CHEN SILU

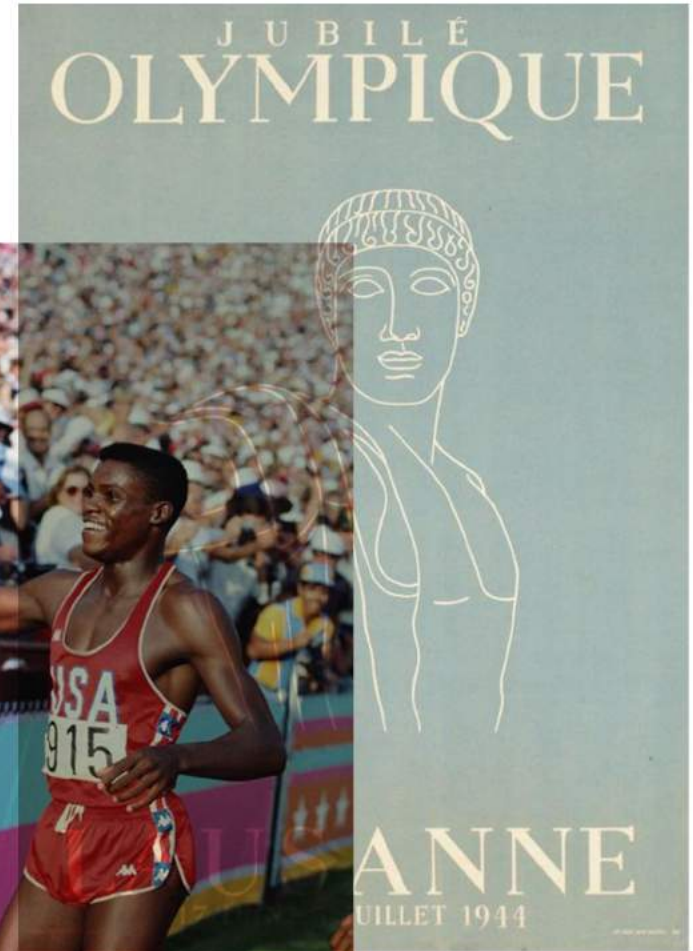

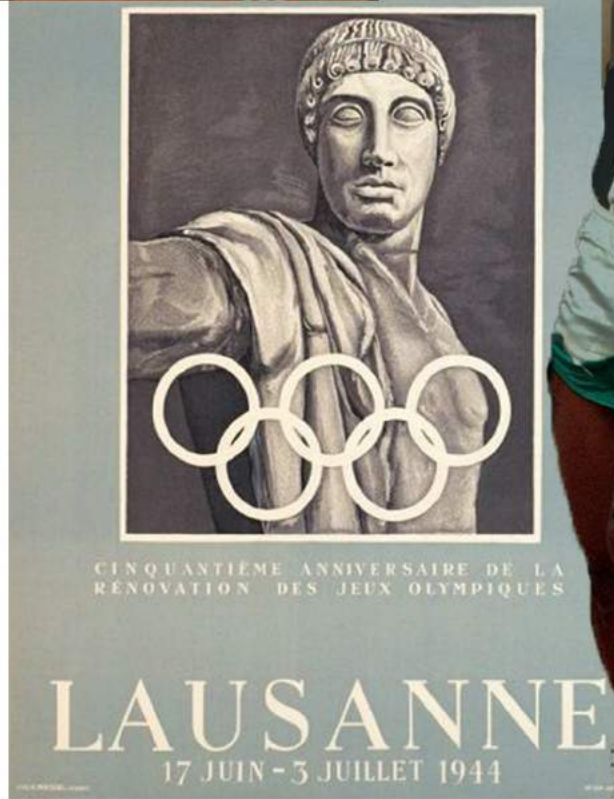

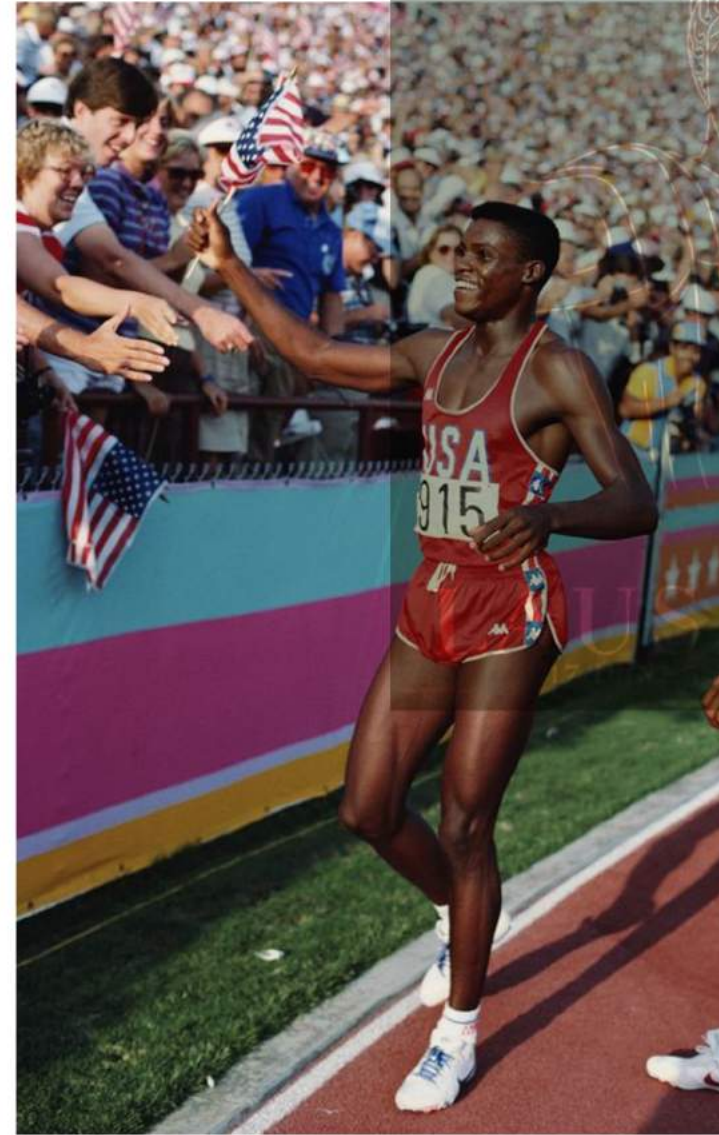

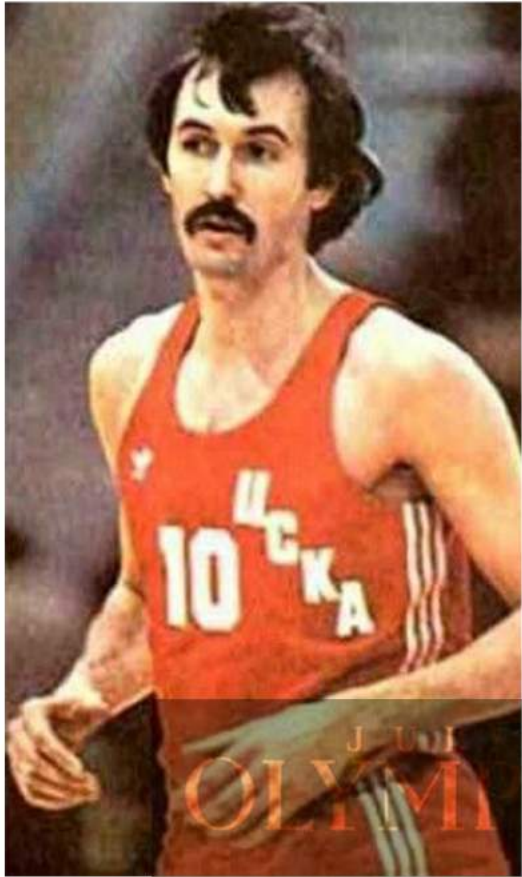

CONCEPT

I chose Olympic games and wedding to present "peace". Because both of them are symbols of peace. In ancient times, a wedding between two royal families could stop the war. Also, the Olympic Truce could make the belligerent city states stop the war. I also chose a coat in historical Vintage Archive. There is a small part of the collar looks like heart shape. From that I got my inspiration of the cape part of the garment.
